Re: Freedom of Information Law Request

Dear Mr. Kenney:

This correspondence is in further response to your request addressed to the New York City Economic Development Corporation ("NYCEDC") received on June 14, 2018, pursuant to Freedom of Information Law ("FOIL"), Article 6 of the Public Officers Law, for a copy of the bid submitted in response to the U.S. Army's request for proposals for the site of its Futures Command headquarters, any contracts with third-party providers for services rendered regarding the Futures Command bid, and any marketing budgets regarding Futures Command-related expenditures from August 1st, 2017 to the date this request is processed.

NYCEDC diligently searched its files for records responsive to your request and located a responsive document which is enclosed herewith. Please be advised that there are no contracts with third parties for services related to the bid.

With provision of this document, NYCEDC considers your FOIL request to be complete. Any appeal with respect to this determination should be addressed in writing to Judy Fensterman, New York City Economic Development Corporation, 110 William Street, New York, New York 10038, within thirty (30) days from the date of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kurt Wintje', written over the printed name.
